PREAMBLE

We, the people of planet Earth, irrespective of our place of birth, residence, language, gender, race, nationality, religion or citizenship of the existing planet Earth states, use our free choice, will and conviction, in the desire to:

- unite the future humanity as transethnic, transnational, transreligious, ethical, fair, peaceful, looking into the infinite Universe, based in its unity on equal dignity of every human being;
- resolve differences, conflicts, inequality and imperfections in past human history, bring the best spiritual and scientific practices and human creative achievements to a new level in all their civilizational and cultural multitude, and launch a new era in the history of space humanity;
- based on the Declaration of Unity of Asgardia as an integral part of this Constitution; have founded Asgardia, the first Space Kingdom in human history, and hereby adopt this Constitution of Asgardia.

CHAPTER 1.

DECLARATION OF UNITY OF ASGARDIA

We, the free people of the first in the history of humanity Space Kingdom ASGARDIA, based on the birthright of a Human in the Universe, adopt this DECLARATION.

1. Asgardia is a free and unified Space Nation.
2. The Mission of Asgardia is to provide for infinite continuity of humans as a biological species in the Universe by achieving the birth of the first human child in space.
3. The goals of Asgardia are:
 - Peace in space;
 - Equal opportunities in space for all Asgardians;
 - Protection of planet Earth and the entire humankind from space threats.
4. Any person from planet Earth can become a citizen of Asgardia, conditional on assenting to the Declaration, and abiding by the Constitution and the laws of Asgardia.
5. All citizens of Asgardia are equal, irrespective of their earthly country of origin, residence, citizenship, race, nationality, gender, religion, language, financial standing.
6. Asgardia respects the laws of and international treaties concluded by the States of planet Earth, and wishes to be recognised as having equal status among them.
7. Asgardia does not interfere in any affairs of the States of planet Earth and does not permit interference into its own affairs.
8. Asgardia respects and complies with the rights of citizens of the States of planet Earth, and protects its own citizens in the exceptional nature of their space citizenship.
9. Asgardia has no room for political parties. However, every Asgardian can freely participate in the political life on planet Earth.

10. Asgardia mirrors Earth without reflecting borders of the States of planet Earth. Nevertheless, every Asgardian can freely live within the borders of any State of planet Earth.
11. Asgardia is a nation of free Spirit, science and internationalism. However, every Asgardian can freely practise any religion of planet Earth.
12. There is no room for the history of earthly conflicts in Asgardia. Asgardia creates a new peaceful history of the future space Humankind.

We, the people of Asgardia, will do everything for the prosperity of our new space nation created by us; for the safeguarding of our Fatherland — planet Earth; and the development of the entire humankind in space.

**Our motto is:
One Humanity — One Unity.**

**This Declaration is a primary document
for the creation of the Space Nation of Asgardia.**

CHAPTER 2.

GENERAL PROVISIONS

Article 1. Name of the Nation

The terms “Asgardia Space Kingdom” (Space Kingdom of Asgardia), “Asgardia Space Nation” (Space Nation of Asgardia), “Asgardia Space State” (Space State of Asgardia) and “Asgardia” are synonymous.

Article 2. Status

Asgardia is the first space, sovereign, free, unitary, law-based, social, transethnic, transreligious, ethical, fair, peaceful, secular State, based in its unity on equal dignity of every human being, looking to the future and the infinite Universe.

Article 3. Mission

The Mission of Asgardia is to ensure the existence and development of the Space Kingdom of Asgardia and the new space humanity by achieving the birth of the first human child in space.

Article 4. Supreme Values

1. Asgardia’s Supreme Values shall be the common and permanent foundations of the self-identification of Asgardian citizens, which form the commonality of the Asgardian community and lie at the heart of the goals set and activities of Asgardia’s governmental bodies and citizens’ associations.
2. The Constitution, laws, and other legal instruments of Asgardia, as well as the activities of Asgardian governmental bodies, shall implement and protect Asgardia’s Supreme Values.
3. Asgardia’s absolute supreme value is unstoppable world cognition, world transformation, and world creation, humanity striving into the infinite future, the infinite Universe, and infinite new Universes.
4. Asgardia’s Supreme Values in fulfilling its Mission are:
 - a) peace in space and peaceful settlement of the Universe;
 - b) ensuring equality of opportunities in space for all Asgardian citizens;
 - c) safeguarding planet Earth and all of humanity from space-originating threats;
 - d) unity of space humanity as a community;
 - e) human dignity, human rights and freedoms, and harmonious development of one’s personality;
 - f) human happiness, life, love, children and family, and propagation of human species;

- g) supremacy of Asgardia's laws;
 - h) preservation of space environment;
 - i) community spirit and mutual support;
 - j) scientific and artistic creativity, and the belief in the boundless potential of human reason, cognition, labour, and progress;
 - k) peace, tranquility, safety, security, respect, and confidence;
 - l) morality, fairness, and freedom;
 - m) harmonious existence of individuals, society, and the nation.
5. Asgardia's Supreme Values shall be equally important and equally implemented in the national administration. However, the absolute supreme value of Asgardia shall prevail over all Supreme Values in case of conflict.
 6. Asgardia's Supreme Values shall apply to the relations with people and the States of planet Earth, as well as in communication with any discovered alien intelligence.
 7. It is prohibited to undermine or diminish the Supreme Values of Asgardia. Asgardia and its citizens shall implement and protect its Supreme Values from internal and external infringement.

Article 5. Territory

1. From a legal perspective, Asgardia's territory is a digital nation with citizens living on planet Earth; from a scientific and technological perspective, Asgardia is a nation implemented on a low-Earth orbit in the form of a satellite or an orbital space constellation, on planet Earth, and later, on the Moon and in deep space.
2. Asgardia will expand its territory by creating Asgardian localities on planet Earth, Earth orbits, and celestial bodies.
3. Asgardian localities on planet Earth are peacefully and lawfully acquired natural hard and liquid surfaces on planet Earth, and man-made facilities situated on such surfaces.
4. Asgardian localities on Earth orbits are satellites, orbital satellite constellations, man-made platforms (Arks); means to protect planet Earth and Asgardia, and other elements.
5. Asgardian localities on celestial bodies are Asgardian orbital celestial entities on the Moon and other objects in the Solar System and elsewhere in the Universe.
6. Asgardia expands its territory by obtaining new localities on planet Earth, in space and on celestial bodies.
7. Asgardia will use adjacent territories (hard surfaces, subsurface resources, oceans, atmosphere, space, celestial bodies) in accordance with generally recognised international principles and norms, as well as international treaties to which it is a party.

CHAPTER 3.

SPACE CITIZENSHIP OF ASGARDIA

Article 6. Citizens

1. Any inhabitant of planet Earth over the age of 18 who agrees to Asgardia's Constitution, consecutively becoming an Asgardian and a resident of Asgardia according to established procedure, and consciously submitting their digital personal data may become its citizen.
2. The space citizenship of Asgardia is a special type of citizenship and does not constitute dual or second citizenship for the purposes of planet Earth states' citizenship. A citizen of a planet Earth state becoming a space citizen does not confer multiple citizenship status, unless otherwise stipulated by an international or bilateral treaty to which Asgardia is a party.
3. A child gains space citizenship of Asgardia at birth if one or both, or the only parent is/are (a) space citizen (s) of Asgardia. A child born before the foundation of Asgardia may become a citizen on the request of their parent (s) who is/are (a) citizen (s) of Asgardia.
4. Space citizenship may be terminated by:
 - a) an Asgardian citizen voluntarily withdrawing from their citizenship,
 - b) being donated, inherited, used as a security, sold and other transactions performed with assets;
 - c) Asgardia for life or temporarily.
5. The total number of Asgardians, residents and citizens of Asgardia shall not exceed 150 million people in the medium to long-term perspective.
6. Rights and obligations of Asgardians and Asgardian residents are defined by Asgardian laws.
7. Until the complete formation of the institute of citizenship in Asgardia, Asgardian residents are temporarily equated in their rights and obligations to Asgardian citizens as defined by Asgardian laws.
8. The conditions and restrictions for admission to Asgardian space citizenship, as well as the grounds for revocation of space citizenship, are established by Asgardian laws.

Article 7. Location of Citizens

1. Asgardian citizens possess the right of free movement and the right to choose their location in Asgardian localities and in planet Earth States.

2. An Asgardian citizen's residence in a planet Earth State shall not deprive or diminish their rights or freedoms, suspend or terminate their space citizenship, and annul their obligations towards Asgardia.

Article 8. Main Rights and Freedoms of Citizens

1. All human and citizen rights and freedoms shall be recognised in Asgardia, in accordance with generally recognised international law principles and norms. Human rights and freedoms are inalienable and enjoyed by all persons from birth.
2. All Asgardian citizens shall be equal.
3. Persons, who acquire citizenship at birth, acquire and exercise rights and perform all obligations upon reaching full legal age when they turn 18.
4. Main rights and freedoms of Asgardian citizens:
 - a) freedom of individual;

 - c) right to participate in managing national affairs, both directly and via representatives;
 - d) right to elect and be elected/appointed to Asgardia's governmental bodies, and participate in referenda;
 - e) right for citizens' legislative initiative;
 - f) right to access non-classified information about the activities of governmental bodies and monitor them;
 - g) right to participate in space exploration and enjoy universal access to scientific information about space;
 - h) right to personal safety and safety of home in Asgardia localities;
 - i) right to citizens' self-governance;
 - j) right to ownership and inheritance;
 - k) right to organise citizen groups on the basis of Asgardian laws.
5. If any rights of an Asgardian are infringed by anyone, including by an Asgardian governmental body, they shall have the right to seek legal protection in Court.
6. Asgardian citizens may only be extradited to other States on the basis of Asgardian laws.
7. Asgardian citizens possess the right of peaceful and unarmed assembly, without prior approval, in accordance with Asgardian laws.
8. The enumeration of specific citizen rights and freedoms in this article shall not be interpreted as denial or belittlement of other citizenship rights and freedoms stipulated by other articles of Asgardia's Constitution, laws, and generally recognised human rights and freedoms.

9. Citizen rights and freedoms may only be restricted by Asgardian laws to the extent authorised by Asgardia's Constitution, and that is required to protect Asgardia's national sovereignty, ensure Asgardia's safety, security, and the performance of its mission and Supreme Values, and protect the rights and legal interests of other Asgardian citizens.

Article 9. Main Obligations of Citizens

1. Asgardian citizens have inalienable and indispensable obligations. Asgardian citizen obligations shall arise from the moment the former ones become citizens of Asgardia.
2. Each Asgardian citizen shall:
 - a) respect and not violate the rights, freedoms, and legal interests of other people.
 - b) comply with Asgardia's Constitution, laws, and other legal instruments, respect and adhere to the Supreme Values of Asgardia, regardless of their location.
 - c) pay established taxes and levies in accordance with Asgardian laws.
 - d) participate in elections and referenda. Systematic derogation of this duty may lead to legal consequences in accordance with Asgardian laws.
 - e) preserve nature and the environment in Asgardian localities.
3. Protecting Asgardia's national sovereignty, safety and security, and performing its mission and Supreme Values are obligations of every Asgardian citizen.
4. Asgardian citizens shall make a feasible contribution to the creation of Asgardia's resources to ensure the common good in line with the Supreme Values of Asgardia.
5. Failure to perform citizenship obligations or failure to perform them properly may lead to a liability in the form of restriction on or permanent revocation of access to Asgardia's information and other resources, fines, suspension of Asgardian citizenship, permanent revocation of Asgardian citizenship in accordance with Asgardian laws. The Death penalty is prohibited in Asgardia. The creation of prisons is prohibited.

Article 10. Guarantees of Citizen Rights and Freedoms

1. The State shall guarantee the rights and freedoms of Asgardian citizens by exercising its governmental bodies' powers and using all resources available.
2. The State is responsible for compliance with, implementation and protection of the citizens' rights and freedoms.
3. The rights and freedoms of Asgardian citizens are guaranteed using Asgardia's state property, which serves as the material foundation for the exercise of its powers and performance of its obligations.

4. The rights and freedoms of Asgardian citizens are guaranteed through the establishment of corresponding obligations of Asgardia in its Constitution and laws.
5. The State shall guarantee that the aims, plans, and development forecasts, as well as the threats and risks to its development, are publicly disclosed.
6. The State shall establish its public opinion and take it into account when making administrative decisions in accordance with Asgardian laws.
7. The State shall guarantee that any Asgardian legal act may be repealed on the request of Asgardian citizens by means of the appropriate procedure set by Asgardian laws.

CHAPTER 4.

ASGARDIAN RESOURCES

Article 11. Human Resources

1. Asgardia shall encourage the development of human resources.
2. Asgardia shall use its own material, financial, and other resources to ensure free access to distance learning, obtaining professional qualifications, and scientific and creative work for Asgardian citizens.
3. Asgardian citizens have a guaranteed right to free time for self-development and self-improvement, creative and cultural pursuits.
4. Asgardia shall work to create jobs and facilitate maximum utilisation of the abilities and qualifications of its citizens.
5. Asgardia shall support its citizens in leading healthy lifestyles.

Article 12. Natural Resources

1. Asgardia's natural resources shall include material objects, energy, and information streams in space environments in the Universe in the Asgardian territory and adjacent environments, set in accordance with generally recognised international principles and norms, as well as international treaties to which it is a party.
2. Asgardia shall use space resources in accordance with international space law.
3. Asgardia's natural resources may be exclusively its governmental property, the property of its companies, public-private property, private property, personal property, as well as other property under Asgardian laws.
4. Asgardia shall use all means available to ensure the safety and sustainability of its natural resources and the space environment and shall support corresponding initiatives in accordance with Asgardian laws.

Article 13. Financial Resources

1. Asgardia's sovereign financial resources shall comprise national and private finance. Arbitrary seizure of private financial resources is prohibited.
2. Asgardia's currency shall be a monetary unit named SOLAR. Other currencies may also be created in line with Asgardian laws.
3. Asgardia's currency shall be freely exchangeable into all major world currencies on the free market of planet Earth in accordance with Asgardian laws.

4. Asgardia's sovereign currency shall be issued by the National Bank of Asgardia in line with the procedures and in the amount defined by law of Asgardia. The National Bank of Asgardia shall be a lender of last resort.

2. Social protection shall be provided to citizens in accordance with Asgardia's laws and on the basis of approved social standards.

CHAPTER 6.

SECURITY IN ASGARDIA

Article 21. Security Areas

1. Asgardia shall protect planet Earth from space-originating threats and safeguard itself and its citizens.
2. Asgardia's security doctrine is exclusively peaceful and self-protective in its nature.

Article 22. Security of Citizens

1. Asgardia shall ensure the security of citizens as the state's ability to respond to threats and minimise risks of citizens' damage in the present and future.
2. Citizen security shall be ensured in the Asgardian territory.
3. Asgardian citizens may demand that Asgardia, in its territory, safeguard them from any slavery or servitude, physical or emotional violence and compulsion, any unlawful dependence and restrictions, and any unlawful obligation or subjugation.
4. Governmental bodies and diplomatic representative bodies of Asgardia in planet Earth States shall use all peaceful means and measures to assist the provision of security of its citizens outside of the localities of Asgardia, in accordance with Asgardia's Constitution and laws, generally recognised international principles and norms, international and bilateral treaties, and laws and rules of States in which Asgardian citizens reside.
5. Asgardia shall prohibit any propaganda of immoral and antisocial behaviour, and any production and circulation of information, which contains mass information that is harmful to morality and aims to undermine or diminish its Supreme Values.
6. All persecution for thoughts and beliefs is forbidden in Asgardia. Any persecution for expression of one's views shall be prohibited, provided that such views do not contain propaganda of immorality seeking to undermine or diminish Supreme Values; threatening national security; inciting violence and strife; demeaning the honour and dignity of individuals; disclosing restricted information; and otherwise stipulated by Asgardian laws as per the requirements for ensuring information security.
7. Asgardia shall guarantee the protection of citizen personal data.

Article 23. Security of Asgardia

1. Asgardia shall maintain and safeguard its national sovereignty, national security, and the security of its resources on celestial bodies, in space, and on planet Earth, using all the abilities, means, and resources of the state.
2. Asgardia shall monitor and forecast external and internal threats, and security risks (including space, military, political, informational, economic, and environmental risks), and shall ensure that they are minimised or prevented, or that damage from the realisation of such risks is minimised and their consequences addressed.
3. To ensure information security, Asgardia regulates the circulation of certain types of information on the basis of the Constitution of Asgardia and in accordance with the procedure set by Asgardia's laws.
4. The list of information, as well as the procedure for including it in restricted information, is set by Asgardia's laws.
5. Asgardia shall ensure the creation of a secure environment for the circulation of accurate information (including scientific research and technical information electronic databases) and the creation of informational infrastructure that is resistant to different types of impact.

Article 24. Protection of Planet Earth

1. Asgardia shall use governmental and private resources to build and operate security systems to safeguard planet Earth from space-originating threats, independently and in cooperation with planet Earth States and international organisations, on the basis of bilateral and multilateral treaties.
2. In order to safeguard planet Earth, Asgardia's authorised bodies shall:
 - a) monitor the condition and physical processes, and potentially dangerous objects in near and outer space, and model and forecast space-originating threats and their potential consequences;
 - b) monitor the condition and physical processes in planet Earth geosphere, and model and forecast their potential consequences;
 - c) monitor planet Earth biosphere and emerging biological threats originating in space, and model and forecast their potential consequences.
3. In order to preserve humanity and biodiversity of planet Earth, Asgardia shall organise and ensure the building of Space Arks and protective platforms in space to be used in the event of threats to the safety of humanity and Asgardia.

Article 25. Aerospace Fleet

1. To safeguard planet Earth, orbital space constellations of Asgardia and other Asgardia's localities from possible threats, Asgardia shall create its aerospace fleet.
2. The core of the aerospace fleet of Asgardia shall be formed by universal robotic combat space platforms.

3. The Government controls Asgardia's aerospace fleet in normal times.
4. The Head of Nation and the Supreme Space Council, and Parliament may declare a state of emergency in accordance with Asgardia's laws. In such cases, the Head of Nation has the right to assume the authority of Commander-in-Chief.
5. Asgardia's aerospace fleet shall operate in cooperation with the similar structures of planet Earth States and international organisations to achieve peace in Space and safeguard planet Earth and Asgardia from space-originating threats.

CHAPTER 7.

GOVERNANCE STRUCTURE OF ASGARDIA

Article 26. National Symbols

1. Asgardia's national symbols are:
 - a) the national flag of Asgardia;
 - b) the national coat of arms of Asgardia;
 - c) the national anthem of Asgardia.
2. Asgardia's national symbols shall be chosen by referenda and, subsequently, approved by the Parliament and the Head of Nation, in accordance with the procedure set by Asgardia's laws.
3. Asgardia's national motto is "One Humanity, One Unity".
4. The description of Asgardia's national symbols and the procedure for using them shall be set by Asgardia's laws.
5. Asgardian citizens shall respect and protect Asgardia's national symbols. Any disrespect towards Asgardia's national symbols shall be subject to liability in accordance with the procedure set by Asgardia's laws.
6. Any use of national symbols in violation of the procedure set by Asgardia's laws shall be prosecuted in accordance with such laws.

Article 27. Language

1. Asgardia's official languages shall be 12 languages chosen by Asgardian citizens as the most commonly used languages of communication. The list of official languages of Asgardia may change as the language composition of Asgardian citizens changes. The procedure for the selection and replacement of official languages, and the areas and specifics of their use shall be defined by Asgardia's laws.
2. Asgardia shall guarantee equality of all official languages. No one may set restrictions or privileges on the use of a certain official language unless otherwise provided by the Constitution and laws of Asgardia.
3. Asgardian citizens may use their native languages for communication, education, parenting, and creative pursuits. The state shall guarantee that everybody may retain their native language and shall not obstruct its use or development.
4. In its relations with planet Earth States and international organisations, Asgardia shall use one of the 12 languages chosen by Asgardia and

the interlocutor. Agreements, treaties, and other international instruments concluded in the name of Asgardia may also be prepared in a different language requested by the other party upon mutual agreement of the parties.

5. Asgardia shall strive towards a single Asgardian language in the future.

Article 28. Capital

1. The space capital of Asgardia, Asgard, or Space Asgard, shall be located on a currently active low-Earth orbit satellite. The capital may, subsequently, be located on any selected space object of Asgardia in its localities.
2. Space Asgard shall be an information portal and virtual location of Asgardia's governmental bodies, citizens, and all national, commercial, and public infrastructure.
3. Individual and collective enquiries by Asgardian citizens, other individuals, and legal entities to Asgardia's governmental bodies and officials shall be submitted electronically in a manner that allows the enquiring party to be identified and authenticated using virtual resources of the capital of Asgardia.
4. NATIONAL ANTHEM OF ASGARDIA

Pale blue dot hanging in the sky,
Homeworld, door to the future,
Where all the nations finally are one,
Unifying all humanity:
Asgardia.

Leave the old problems all behind,
Moving on for the better.
Living in peace and mutual tolerance,
Trying to improve humanity:
Asgardia.
